Regulators and industry - some common approaches to improving the regulatory environment

Come and hear all the latest Regulatory legislation and guideline proposals from the Regulatory agencies and industry. You will be able to have an update on such Regulatory activities such as electronic submissions, Variations, CMDv Work Programme, HMA activities and ongoing and proposed changes in Veterinary legislation and guidelines.

2009 will see TOPRA's 4th Annual Veterinary Symposium. Previous Symposia were held in Amsterdam, Copenhagen and Budapest. Building relationships is an important part of the TOPRA Symposium and this year we welcome the Medicines Product Agency, Sweden, who will be assisting with the organisation of the programme.
